

cable-free video and control

# QUICKVIEW airPACK

## CUT THE CORD

Get rid of your QuickView's cable. This wireless device attaches easily to allow Wi-Fi control, viewing and recording from a touchscreen tablet.

- Perform cable-free (wireless) zoom assessment.
- Control/view/record from a touchscreen tablet app.
- Swappable, rechargeable lithium-ion batteries.
- Attaches in seconds to HID and LED Haloptic models.

### EASY ATTACHMENT

The airPack simply plugs into your Quickview camera head, and is secured between the pole and the camera with two cam locks.

### TOUCHSCREEN TABLET INTERFACE

Installed on your tablet device, the airPack app gives you full touchscreen control of camera zoom and focus, as well as illumination level for LED cameras. In addition, the app displays real time video, let's you capture video and images, and allows text writing.
